Testimonials

"I was truly delighted to discover a new country – Romania. I hope I'll have the opportunity to meet again with my new friends from Romania, Greece, and Poland. And of course, I will try to use the knowledge and new exercises as much as I can with Ukrainian youngsters."

Karyna S.

"It was a marvellous and beautiful three days. I made friends and gained a lot of experience, which I believe will help me in my future work with young people. As a message: we need a lot of patience and strength — and we will make it"

Kateryna M.
